When, where, and with whom have you studied?
KerrKrew? Limited number of work trades available.
List what you are able and willing to do here.

What does the fee include?

It includes all meals, workshops, camping and materials for the twelve day course.
RV sites are available for an additional \$10/day.

Payment and refund policy

Full payment must be received by Oct. 17th.
No refunds after Oct. 17th.

Physical and Special Needs:

Because of the rugged nature of this site and the physical demands of the course work, participants must be in good physical condition and capable of hiking sloped terrain. If you have any special needs or are differently abled, please call us to discuss the options.

Food Needs

We will make every effort to assure that you have an alternative selection that will meet your needs.

While we can cater to some special needs, i.e: vegan, no wheat, the kitchen staff will not be able to prepare special meals to accommodate every diet. If your needs are highly individual, please call so that we can discuss options with you.
